

Teaching Evaluation

Fall 2015

**International Business Economics &
International Marketing**

1st Semester

Introduction

The evaluation is conducted during the Fall semester 2015 and is distributed to the entire population. This evaluation consists of multiple individual evaluations of single modules, which are compiled in this teaching evaluation. The purpose of this is to give an overall overview of the students' impression of the teaching quality during each programme and each semester. Therefore this report gives an overview of the students' responses to all the modules they have participated in during the semester.

Content of the evaluation

This teaching evaluation consists of evaluations of the following modules

1. Module 1a, Globalisation and Internationalization of Companies in a Value Chair Perspective
2. Module 1b, E-Business

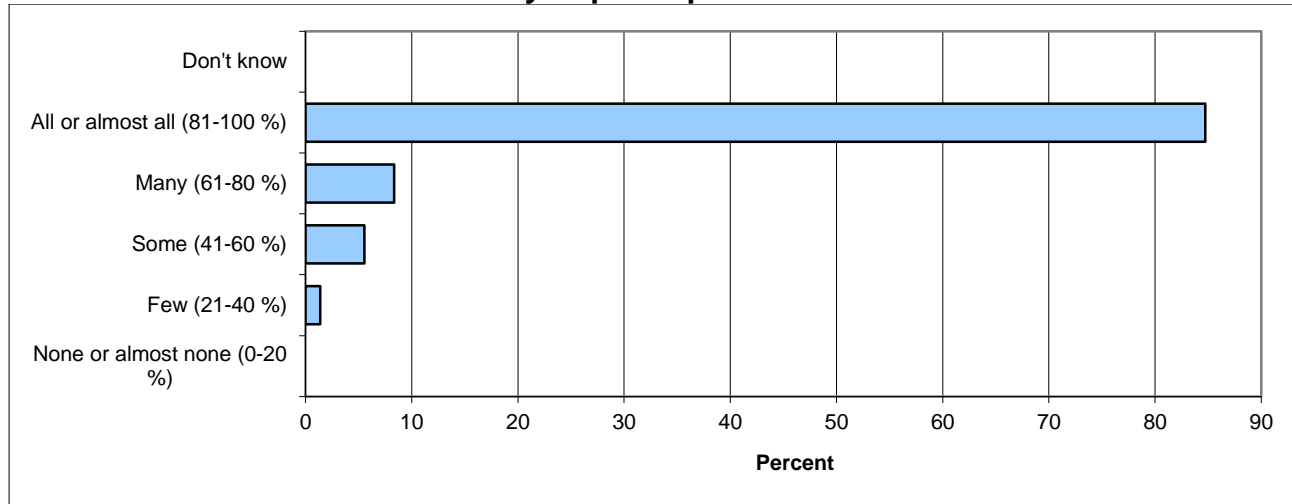

Each of the module evaluations consists of questions concerning the following topics

- The students' individual work load
- Curriculum
- The teachers
- Learning outcomes
- Additional
