

Programme evaluation

Spring 2016

MSc in international Marketing

Response rate: 22%

Introduction

This evaluation is based on surveys answered during the spring semester 2016, which was made available for answering to the entire population.

Content of the survey

The programme evaluations purpose is to evaluate the students overall impression and experience of the programme, after they have completed it. The evaluation presents the official competency profile for the programme and asks whether the student have achieved these competencies. The evaluation also investigates the students opinion on the programme's difficulty, their workload in coherence with the programme and to what extend the programme lived up to their initial expectations.

Overall Status

Results

1.a To which extend, would you say that you have achieved these competences?

1.b Do you have any further comments concerning this subject?

2.a To which extend did the programme live up to your expectations?

2.b In which areas did the programme live up to your expectations?

2.c In which areas did the programme NOT live up to your expectations?

3.a How would you rate the programme's educational value?

3.b How could we improve the educational value?
