

**Semester Evaluation**  
**Fall 2018**

**New Venture Creation**

**Response rate: 31%**

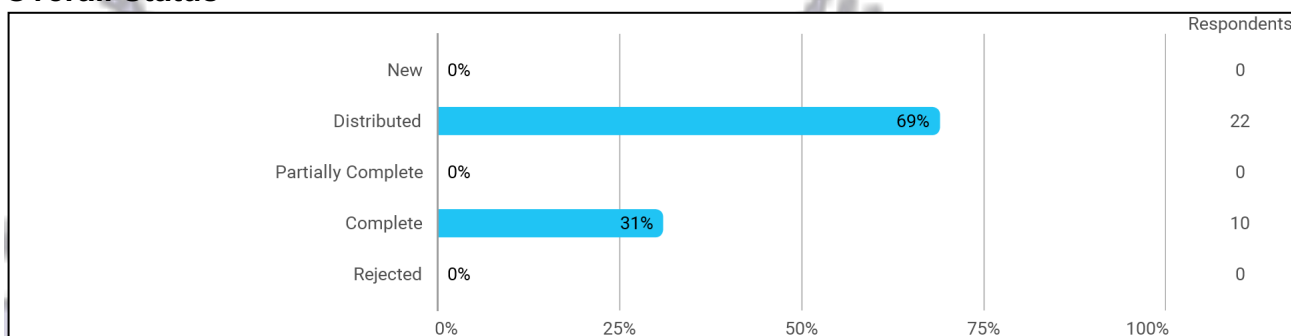

## Introduction

This evaluation is based on surveys answered during the fall semester 2018, which was made available for answering to the entire population. This rapport contains only the quantitative results of the survey.

### *Content of the survey*

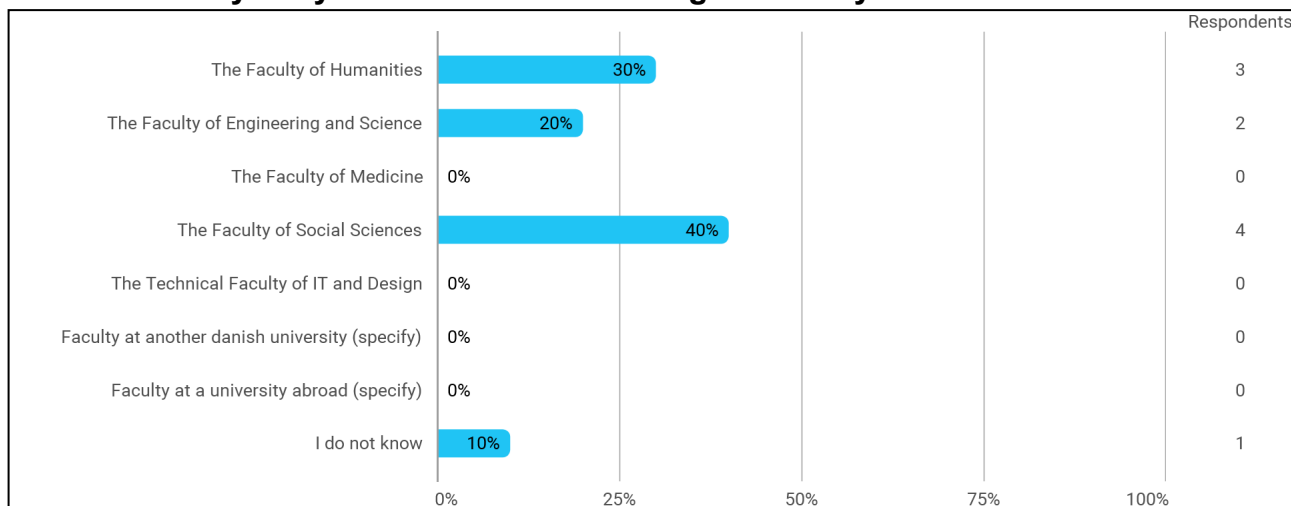

The semester evaluations purpose is to evaluate the students' experience of the administrative conduct of the semester regarding planning and information. Furthermore, the psychological as well as social environment of the programme is investigated as well as the students' workload across the entire semester.
